Contemplation of quote: If you judge people, you have no time to love them. ~ Mother Teresa

Unfinished business:

- A. **Prison ministry proposal:** Agreed that Benevolence fund can be used for the prison ministry suggested. Jacquelyn suggested a standardized version of the current program Carrie is using to make it available for others who might be interested. Jacquelyn and Carrie will partner to come up with good plan for implementing the prison ministry and add it to the Benevolence policy for review. Good opportunity for ministers looking for service. Carrie will submit benevolence request for upcoming class in March.
- B. **Moving from Dropbox to new file server:** Jay discussed Blue Host server. He conducted a test to determine the amount of time needed to transfer files (approximately 5 hours). Discussed Filezilla as possible option for copying files. Regina added that she contacted DriveHQ who recommended 200gb plan which would include the moving of files. Cost is 640.00/year which includes storage space.
- C. **Domain change:** Awakening-together.org domain moved from Go Daddy server to Blue Host. Awakening-Together.com cannot be moved now due to a typo in the admin email address and stringent laws about changing email addresses associated with domain names. Regina is working on this with Go Daddy.
- D. **Use/not to use Fall retreat recording:** Jay commented on the benefit of using audio for teaching root cause inquiry. Motion to place audio file on hold until such time that we determine that it is relevant. Will revisit at that time.
- E. **Update on future retreats:** Couples retreat: Jacquelyn will focus on increasing advertising efforts for the retreat. Suggestion to add Jacquelyn/John Mark to speaker spotlight. Jacquelyn to follow up with JM. Israel retreat: Regina is waiting for reply following up with her contacts to determine the best itinerary. Currently no reply from Adayshanti regarding 2019 retreat.
