
Agenda for AT Team Meeting

6/15/15

1. Approve 5/18 minutes
2. Centering Quote:
“The cosmic joke is that the “I” tries to have control... control over what? The Universe? God? Divine Will? Now this is truly a laughable cosmic joke and a delusion. Trying to “have control” over anything actually works against all Universal Spiritual Laws and creates incoherence, disharmony. This goes against the “true nature” of the Universe and creates havoc on the planet. It is far wiser to SEE this grand paradox! The unawakened one can “know” this illusion as an intellectual concept. The awakened one is dissolved of this illusion = freedom.” ~ Julia Desmond
