2. Centering Quote
  - a. The Trustees centered with a quote from Socrates and briefly shared their contemplation.
3. Mooji Retreat Proposal
  - a. The Mooji Retreat Proposal committee has received additional information regarding pricing and room availability for the previously discussed seven possible retreat proposals.
  - b. The new information has been inserted into a spreadsheet which will be used to provide as much information as possible during a scheduled meeting with Norma Clarke on Sunday. Norma is expected to help the committee further narrow down retreat proposals.
  - c. Tom noted at the meeting a "Hudson Valley Resort and Spa Rooms and Sweets" center that holds 270 occupants.
  - d. Teddy shared a concern with the Trustees that their efforts may be in vain and offered a solution where a friend would speak to Mooji and ask about his interest in a retreat with Awakening-Together. The Trustees reassured Teddy that many exchanges have taken place between Regina, Norma, the Proposal Committee and the Mooji representatives in order to ascertain the highest chance of a successful proposal. Therefore, Teddy's concern was assuaged. However, it was noted that the Trustees should re-address this issue at the next meeting with Norma's feedback and Regina's presence.
4. James Twyman Event in Colorado

- a. Lyn took the floor and introduced the Trustees to a teacher by the name of James Twyman and explained his Course In Miracles retreat/revival style as well as his credibility as a teacher (with additional support flowing from Teddy as well).
  - b. The Trustees were polled regarding their interest in setting up an event with Twyman; the majority of Trustees showed interest.
  - c. Lyn agreed to bring back potential dates and costs.
  - d. It should be noted that the Trustees felt interest only under the circumstance that another organization Co-Sponsor the event. Organizations with an established Course Community such as the Mile High Church would be necessary.
    - i. If this is to be the case, the decision will be escalated to the Board of Directors and, if approved, would be negotiated by the president minister.
5. David Hemphill Resignation Announcement
  - a. Written notice effective May 22<sup>nd</sup>, 2015.
6. New Online Church Platform Update

FUZE is demonstrating itself to be a superior platform through recent tests and research that shows continuous (non-crashing) service, low costs of \$240 a year for 250 slots with options to expand, compatibility with PCs, Phones, Tablets, and all Apple devices as well as video and audio connections with no cost to membership.
