## Event Scholarship Application

### ~ IMPORTANT NOTES TO APPLICANT - Please Read Carefully ~

- ☞ The Event Scholarship Subcommittee will receive and consider equally all A.T. scheduled event scholarship applications submitted to the subcommittee in a timely manner (by the stated date). Once you submit this application you will receive an email acknowledging your submission.
- ☞ Fill in the shaded boxes and at the end of page two you'll see three buttons 'Save', 'Print', and 'Submit Application'. After you have saved and printed this application, click 'Submit' to email the application. If you have any difficulty, see [www.awakening-together.org](http://www.awakening-together.org) under Events, Event Scholarships for more information.
- ☞ An applicant will seldom be awarded a *full* scholarship, but it is not out of the question. Typically, we require an awardee to pay the deposit, and the awardee may be asked to pay more. If your case requires a full waiver of the deposit, this may be possible but the applicant should be aware that for this to occur, substantial justification will be needed.
  - ✓ If the deposit **is not** waived, the awardee is required to **register and pay the deposit** within 10 days of being notified of an award, or the awarded benefits will be forfeited. - or -
  - ✓ If the deposit **is** waived, the awardee must **register** for the event within 10 days of being notified of the scholarship, or the scholarship will be forfeited.
- ☞ No travel expenses will be paid. The applicant is responsible for their own transport to and from the event.
- ☞ In evaluating who will receive a scholarship, all other needs being equal, the Scholarship Subcommittee will give priority to those applicants who have not received scholarship assistance within the last 2 years.
