Narrative of Activities:

II. Unresolved Issues

There remain unresolved issues related to the reporting system at Faculty Senate and EC, though a set of suggestions from a faculty ad hoc committee may solve these problems.

Approval of PLOs and mission statements needs to be fully documented.

III. Reflections

CC was able to approve a large number of course outlines and new programs because it was no longer required to consider program reviews and related issues of assessment.

IV. Remedial Actions

CC should revise its RSA in accord with the recommendations of the faculty ad hoc committee.
