

Dear Lisa,

Where do I start ~ from
the first day we met August
here to the end you were there
with me And I thank you for
that.

Who could have asked for a
better sale of Fox Chapple? Thanks
to you and Annette for a smooth
quick sale.

There were a few issues with
Piedmont and you stayed right
on them. I think, when you see
this place, you'll agree that it's
a good fit. I'm really pleased
with the entire process ~ Thanks
to you.

Everyone enjoyed your morning
day lunch. That was most
appreciated.

Jeffrey
