Have Your Own App.

Raise the profile of your business with a professional look and enhanced user experience. An app acts as a constant reminder on customers phones which will prompt them to revisit.

Branded.

Clean, professional layout that you can customise to reflect your brand. It's your site, so you won't share space alongside your competitors.

0% Commission.

Online ordering platforms will typically charge up to 20% commission on every transaction you make, however with ByTable there is no commission fee, so 100% of the profit stays in your pocket.

Search Engine Optimisation.

You can be sure your business can easily be found by local customers on search engines such as Google.

To The Table Or Seat.

Order to their table or seat number. Great for large restaurants with outside seating and stadiums/theatres.

WWW.CRS-EPOS.COM – TEL 01473 723515

Food Allergy.

Allergen alerts keep your customers informed of ingredients before they place their order, so they can be sure that they can dig in to their meal.

Product Images & Feature Pages.

Entice your customers with mouth-watering images and feature pages showing your products in finer detail.

Discount Codes.

Encourage orders through exclusive discount codes that can be entered at checkout.

Integrate For Efficiency.

ByTable integrates seamlessly with your EPoS and back office software. All sales are recorded in real-time and processed at your TouchPoint till. You get all sales information in one place.

Customer Details Saved.

Want another round of drinks? Don't worry about filling out all your contact or address details again, ByTable lets you save your details so you can order more efficiently!
