TouchOffice Web

Real time and historical sales reports at your fingertips. TouchOfffice Web provides complete control
over your business from anywhere. Stock, staff, pricing and programming; TouchOffice Web gives you
control over it all. | TouchOffice Web Benefits

- Keep an eye on day to day activity with real-time sales information.
- Drill down into historical sales information and get detailed insights for future decision making.
- Integrated with account software.
- Monitor and detect fraud by combining clerk audit trail with compatible CCTV systems.
- Stay in control with a stock control system and use handheld TouchStock devices to perform stock
takes, create supplier orders or branch transfers and schedule deliveries.
- Manage staff with Time & Attendance reports.
- Remotely make programming changes to POS systems online from anywhere, at a single site or
globally over multiple sites.
