As your loved one journeys on, send one part of this cross along, keeping the other one with you or in a special place as a reminder of sweet memories that will keep your bond alive forever.

*Just A Memory Away*  
 I'm no longer by your side,  
 but there's no need to weep;  
 I've left sweet recollections  
 I'm hoping you will keep.  
 Don't let your heart be heavy  
 or burdened down with care;  
 all the times we loved and laughed  
 are moments we still share.  
 Eternal joy and happiness  
 stay in our hearts forever,  
 strengthening our special bond  
 that even death can't sever.  
 Now it's time to journey on  
 and let your faith be strong,  
 for I'm in a better place-  
 I'm home where I belong.  
 So if sadness finds you  
 as evening hides the day,  
 don't despair, for I am there-  
 JUST A MEMORY AWAY.

**Jesus Beads** originated the tradition of the Orthodox and Eastern Catholic Churches. Called a *Chotki*, the strand may have as many as 100 beads, or as few as 25. The Chotki is traditionally used as a silent "breath prayer," with "Lord Jesus Christ, Son of the Living God" prayed on inhalation and "have mercy on me, a sinner" prayed on exhalation. The Jesus Prayer, or the Prayer of the Heart, invokes the Holy Name. You have just acquired a unique article, handcrafted using the pruned branches of the olive trees growing on the hills of Bethlehem and Jerusalem. *Abbey + CA* GIFT

Both the circle or halo and the intricate knot designs have no beginning and no end, reminding us that God's love is never ending. The Celtic Cross has come to be a tremendous symbol of the Irish culture and Christian faith. It is one of the most traditional symbols of Irish faith and pride.

The Jesse Tree is the family tree of Jesus. This Advent wreath tells the story of His lineage, through symbols and readings from scripture, one for each day of Advent.

"Again Jesus spoke to them saying, 'I am the light of the world, he who follows Me will not walk in darkness, but will have the light of life.'" -John 8:12

• • • • •

The Advent wreath has had a significant resurgence in recent years. Because of the growing commercialization of the Christmas season, many families have found that the Advent wreath has deepened their appreciation of the true meaning of the Holy Season.

**USE OF THE ADVENT WREATH**

Today our advent wreath custom remains the circular shape with four candles. Three of the candles are purple to represent penance and longing; they are lit during the first, second and fourth weeks. One of the candles is rose-colored to symbolize joy; it is lit during the third week in glad anticipation of the birth of Jesus. Evergreens, a symbol of eternal life, and purple ribbons symbolic of penance are often added in preparation for the Lord's coming.

**ADDITIONAL ADVENT WREATH CUSTOMS**

Some families use blue candles instead of purple ones. Another variation is to burn four white candles during the twelve days of Christmas until the feast of the Epiphany.

The Advent season begins the fourth Sunday before Christmas and runs through Christmas Eve. Each day in Advent, often at the main meal, the candles are lit: one candle the first week, two the second, three the third (pink), and all four during the last week, through Christmas Eve. Each lighting is accompanied by a blessing, a scriptural reading, and the singing of a verse from "O come, O come, Emmanuel". A different member of the family, usually starting with the father, leads the ceremony and lights the candles each evening.

The stories behind traditional symbols of Christmas

The Story of the *Christmas Wreath*

The word wreath originated from the Old English word "wriþen" which means to twist. Christmas wreaths are made by twisting holly and evergreens into a circle.

The *circle* represents Christ's eternal love, with no beginning and no end.

The prickly *holly* reminds us of Christ's crown of thorns.

The red *berries* symbolize the blood He shed for our sins.

The white *blossoms* bring to mind His purity and innocence.

May this *Christmas wreath* remind you of Christ's everlasting love.

The Story of the *Christmas Tree*

In 16th Century Germany, trees were brought inside and adorned with fruit, flowers, ribbons & colorful paper, evolving into so much more today.

The lovely *evergreen* is a symbol of Christ's promise of *eternal life*.

The tree's triangular shape represents the *trinity*.

The *star* on top refers to the Star of Bethlehem, which guided the wise men to the birthplace of Jesus.

The shimmering *lights* symbolize that Christ is the light of the world.

May this tree remind you of His *light* and *love* at Christmas.
