## PROCEEDINGS

### 1. Call to Order

- a. 3:20

### 2. New Business

- a. The Faculty Senate President asked if Senate would hold an online vote to change the clauses of the Faculty Senate By-Laws which state that curriculum is a primary responsibility of the Faculty Senate, and that Curriculum Committee reports to Faculty Senate. This was requested because:
- the By-Laws require that the entire membership vote on a question of eliminating Senate responsibilities (Amendment 1. Article II. Paragraph 3.)
  - an online vote seems to be the only feasible means of the entire membership voting
  - at the meeting of 24 March 2017 an informal poll showed that a majority of those present favored Curriculum Committee not reporting to Faculty Senate

- iv. at the meeting of 12 May 2017 the Faculty Senate agreed to decide the question of curriculum responsibility at the beginning of the fall semester of 2017
- b. **Moved, Seconded, Passed** - *that Faculty Senate debate responsibility for curriculum before any motion be made to hold an online vote.*
- c. **Moved, Seconded, Passed** – *that Faculty Senate defer the decision for an online vote on the Senate's primary responsibility for curriculum until a subcommittee has convened to assess the Curriculum Committee's role as it relates to the Senate's by-laws.*
  - i. It was also **agreed, by universal consent**, that the subcommittee so-convened *would assess whether our curriculum practices are in the best service to teaching and learning, and based on this assessment, this subcommittee would make recommendations to Senate on how to proceed, including recommendations on process.*

### 3. Adjournment

- a. 4:10
