COLLEGE OF THE MARSHALL ISLANDS

BOARD RESOLUTION-No: 2020- 016

“A RESOLUTION TO APPROVE THE REVIEW MISSION, VISION, AND PHILOSOPHY”

WHEREAS, the College of the Marshall Islands Act 1992, §209 Responsibilities of the Board to clarify the mission of the College

And

WHEREAS, the Institutional Effectiveness Committee and the Executive Council have recommended the Review Mission, Vision, and Philosophy's proposed revised statements.

1. Mission:

The College of the Marshall Islands will provide our community with access to quality, higher and further educational services, prioritize student success through engagement in relevant Academic, Career and Technical Education, and be a center for the study of Marshallese Culture. It will also provide intellectual resources and facilitate research specific to the needs of the nation. (EC approved 4th Nov, 2020)

2. Vision:

The College of the Marshall Islands will become a model educational center for the nation. (EC approved 25 Nov, 2020)

3. Philosophy:

We believe that quality education is essential to the well-being of individuals and to the wellbeing of the Marshallese people as a whole, now and in the future. We are therefore committed to the creation of an educational environment where individual differences of gift, potential, and belief are recognized; where personal choice, responsibility, and growth are encouraged; and where educational content addresses the general and specific needs of the students, the local community, and the nation. We further believe that integration of theoretical knowledge and practical experience is a fundamental value of successful education in our rapidly changing society. Achieving this integration of the theoretical and the practical requires a blend of flexibility and consistent evaluation. (EC approved 25 Nov, 2020)
