

ADDENDUM No. 4
Project Phase 3 - Technology

September 17, 2026

Sherman School Renovation / Central Administrative Offices Renovation

2 Route 37 East

Sherman, Connecticut 06784

State Project Nos.: 127-0009RNV / 127-0010BE-RNV

REFERENCE CODE	
DC	Design Coordination / Improvement
SI	Supplemental Information
CL	Graphic and / or type correction and clarification
OC	Owner directed Change
BC	Bid or Contractual Language Clarification

The following clarifications and changes to the Contract Documents supersede previously issued Drawings and Specifications to the extent modified by this **Addendum No. 4**. Bidders shall ensure this addendum is acknowledged in the appropriate space provided on the Bid Form when submitting a bid.

General Items		Reference Code
A.	None.	
I.		
Clarifications		Reference Code
B.	Bidder Questions	
1.	Question: The construction schedule lists phase closeouts in September 2027. Please confirm any and all installation timelines and expectations for Fall 2026 and Summer 2027? Response: Reference Section 003113 "Project Schedule" included in the Project Manual for installation start and completion dates.	SI
2.	Question: Please confirm the timeline for elevator access for these installations. Response: Elevator access will not be provided to the vendor. Note that at grade access is available for both levels of the school.	SI
3.	Question: Do the reference projects need to be specific to SMART Interactive Display installations in the state of Connecticut? Response: No, they do not.	SI

4.	Question: As this is a State of CT Prevailing Wage Project, does the vendor need to submit copies of: • Installer licenses (State Of Connecticut Licensed EI, E2, L5, L6, C5, C6, T1 Or T2 Installers)? • CT DAS Prequalification Certificate? Response: Reference §2.2 Pre-Bidder Prequalification requirements under Section 002123 “A751-2019 Invitation and Instructions to Vendors – Technology” for bidder prequalification requirements. Demonstration of CT installer licensing is preferred.	SI
5.	Question: Does the vendor need to be a: • SMART Certified Dealer? • SMART Certified Installer? • SMART Certified Trainer? If so, do copies of certificates and letters proving the above need to be submitted with the bid? Response: The Smart interactive board specified shall be provided. No substitutions are allowable for this manufacturer and product. Further, the Bidding Vendor shall be a SMART Technologies Certified Reseller with staff experienced in the installation of SMART interactive displays and employing SMART certified trainers.	SI
6.	Question: The Smart interactive board specified shall be provided. No substitutions are allowable for this manufacturer and product. Further, the Bidding Vendor shall be a SMART Technologies Certified Reseller with staff experienced in the installation of SMART interactive displays and employing SMART certified trainers? Response: Should all areas of work be completed by the awarded vendor? Quality of work is essential to ongoing performance and post-installation services by a local, qualified vendor.	SI
