Competition Day!

position.

I really enjoyed watching some spirited competion. In the water and on the beach. The flags were hotly contested, as were the Sprints. Girls and Boys of all ages putting in their best efforts. On the track, all the races were hotly contested with all competitors putting to use the skills honed at the training sessions we since the start of the season. On the boards there was some great racing with some wonderful skill shown catching opportune waves to improve

Over the next few weeks I will be featuring more of the rescue and resuctation skills. R&R is one is almost the raison d'etre of surf life saving. Please encourage your kids to become proficient in this area. The life they save could be yours.

Some house keeping.

any queries regarding this.

The feedback on the magazine has been incredible. Thanks again to Ron at Snap Caringbah for a fantastic 24 hour production run. Thanks also to my co-editor Chailee of Mango Marketing for reading the reports and getting them press ready.

Till Next week. **Linley Caetan**

# **Age Group Reports**

#### **U7 Girls**

This week started with clear blue skies, big smiles and a short walk to Gunnamatta Bay. This week both the 6s and 7s were at the bay and after finally finding some beach we started with a wade. After a successful wade relay we start some sprint relays. The girls showed great speed in both the relays and the octopus game that followed. After all that running we decided it was time to cool off. The girls split into teams of four and used a small bucket, relay style, to fill a larger one. This was a closely contested game with one of the teams narrowly taking out both. This weeks Maccas awards went to Karlee, Tiarna and Kirra. Snow Cone Award went to Belis and the Melon Blue Award went to Abbey Smith for putting in a great effort. Girls make sure you have big smiles for the photos!

# **U8 Boys**

Love, Caitlin and Georgia.

First championship day of the season brought the competitive nature out in the boys and what a long day it was. I guess this is what happens when over 500 kids all need to race in the different age groups, let alone different events. Overall the boys were extremely well behaved and we thank them for this.

After getting off to a good start in the wade, and getting the flags done in good time, the hold up was the sprint track. No waiting around here I say it's off to the indoor pool to get the boys refreshed and out of the sun. Having done that, we came back out to the sprint

track only to find things still about 15mins behind schedule. We finally completed the sprints and it was time for roll call and the end of a long morning.

I'd like to thank all the parents who helped out on the day. Every little bit helps and what a great team of dedicated parents we have. Thanks heaps.

I was really proud of the boys and their efforts today. This is the first time that the boys have been exposed to a championship day with carnival type conditions, and I thought they handled it very well. Awards this week went to Shaun Bailey, Will Eagles, Thomas Gray, Thomas Papas, Marcus Saggiomo, Zayden Waterhouse and Lewis Cicco. Well done boys, keep up the good work.

Keith & Rodney - Group Manager: Rodney 0407077669 or rdu36748@bigpond.net.au

## **U11 Boys**

We had Club Champos with a good wave on. With the board, Sam and Aiden caught a great wave with Sam finishing quicker. Some good performances by Keegan, Nathan, Jamal, with our new recruit Joel doing well. It was also good to see James jump on a board and give it a go. The swim had the likely suspects, with some good swims also by Harrison, Angus and Sam Eagles. It was great to see Lachlan jump in. He has a great attitude of giving everything a go. We have unearthed some good new runners, William Gray and Brandan Hanson, who came 2nd and 4th respectively in the final, and they are just getting their legs used to running on the sand. After losing 2 good runners from last year, I think we have a good blended

team that will work well together. It was good to see James not stumble at the start and run well to win. I know that Will S is also working hard to have a good season on the beach.

The flags were taken out by Sammy Fowler, but we also saw some good performances by some new nippers, Jack Vardy, Brandan and Will G.

The accolades have to go to Sam on the day, but I thought the best moment was seeing Sam and Aiden on that set coming in with big grins on their faces.

Mick

## U12 Boys

A big congratulations to Kyle Druery, Brady Goodyear & Cooper Cicco. All selected for the branch team. An awesome achievement quality of the Under 12 Boys is fantastic.

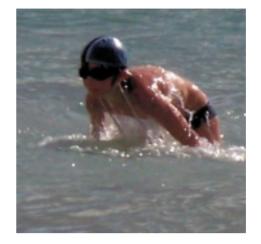

What a great weekend for the beach. Saturday was our IMB Carnival, a great low-key event where kids get to experience competition in a friendly and familiar environment. After, a week of rain and big choppy surf Saturday was a gem. A sunny day with a good sized wave breaking off a peak in the middle of the beach meant for some great racing. We had a reasonable turn up of

regular competitors, but it was a shame we didn't see some more who don't normally compete come down & support their club & fellow members.

Sunday was a repeat of Saturday weather-wise with that awesome peak still peeling off some lefts & rights in the middle of Cronulla beach. Being Champo Day, everyone was a little nervous but we got off to a great start and got through our programme pretty quickly. Without restating the results which you can read elsewhere in the newsletter everyone had a great day. Noticeable performances were from Rhys Dalley (9th in Swim & 10th in Board) & from Jack Robertson who featured strongly in all four events (4th Swim, 7th Board, 5th Sprint, 3rd Flags). Also a big paddle from the new boy Jackson Roberts Young who joined us today & had a big paddle in the board race and finished

without incident in a pretty challenging surf.

Commiserations to Kye Moore who had an awkward pick up in a tightly fought board final with Nick Jackson & Max Smith. Unfortunately, Kye badly hurt his shoulder and had to be taken to the medical centre for treatment. We all hope that you are not too badly injured Kye and back on your board real soon. If you would like to receive email updates of U12 Boys Nipper News please email me (Geoff) your email address at

ga\_jackson@iburst. chilli.net.au so I can add you to my Group mailing list: Mark. Geoff. Wayne, Brett, Don.

#### U13 Girls

What a fantastic weekend of surfing we had. Saturday we had the IMB Carnival then follow

up with the first Champo day of the season on Sunday. Thank you to the girls who turned up for the IMB, then to follow up and perform on Sunday, it was a great effort. This group of girls really know how to enjoy themselves, not only with each other's company, but when a carnival comes along they mix and talk with the other competitors and become instant friends. They really show the Cronulla spirit. Again I've said it many times but I never get sick of saying it, you girls really make us proud! A big thank you

> to the parents who helped me on Saturday getting set-up, special mention to Paul M (Demi's dad), who turns up every morning at 6.30 to help me with set-up, also those mums who helped with the BBQ, Glen (Giselle's dad) who stayed with me on the BBQ for close to 3 hours; it's his first year, really appreciated. All money from last Saturdays BBQ was for the nippers, thats why we do it. Today is skills and photo day. Enjoy.

## U13 Boys

Good attendance by the boys at the annual IMB Carnival, with the Cronulla U13 Boys dominating most events.

Callum and Byron took out the gold and silver quinella in the board section with James also joining them on the podium to receive the gold medal in the board relay event. Callum and Max then added gold and silver in the flags event knocking out the Sydney Branch representative on the way. Earlier in the day Callum also took home the gold medal in the beach sprint. Adding a fifth gold medal to his tally, Callum

teamed with Nat, Daniel and Max to also win the beach sprint relay. Mr Consistency Sam, also performed well to finish 4th in the swim, board and ironman. But the day belonged to Callum who left Callum dominating the sprint from Luke and Nat. Flags was a hotly contested event with the eventual place getters

no one in any doubt that when it comes to sheer guts, determination and a will to win, he stands alone. Congratulations Cal. Sunday saw an 8 o'clock start for the 1st Champo Day, with

being Cal, Daniel and Luke. The swim saw Kazimer easily stroll

## Age Reports Continued...

over the line from a fast finishing James and Sam. The board again came down to a sprint finish on the sand with 5 boys on the same wave. Byron showed he is again going to be a force to be reckoned with this year, in his favourite event, taking out 1st place from Cal and Sam. Special mention to Yousef for again showing true grit and determination to finish the swim and board events. Well done. See you on the beach in Coffs, Shane.

# **Batebay Carnival**

Cronulla Surf Lifesaving Club, celebrating its 100th year, is proud to be hosting the 2007 Bate Bay 4 Way Carnival.

The carnival is a "friendly" annual get together between the 4 Bate Bay clubs (Cronulla, North Cronulla, Elouera and Wanda) that is based on camaraderie and sportsmanship and is intended to promote unity of the Bate Bay clubs. Notwithstanding

this, competition will be fierce and every medal fought for with every effort the competitors can muster. Because of the high standard of competition a 4 Way medal is often a prelude to higher honours at the Branch and State Carnivals.

The Carnival is held over two days with the Seniors competing on Saturday and the Juniors on Sunday. The Junior Carnival is for all Cronulla Nippers from U8 - U14 and for the relevant age groups is 100% attendance.

For nippers, the 4 Way Carnival commences at 8am next Sunday 25 November. At the time of publication U9s, U10s, U11s and U12s plus Marchpast and all individual finals (except U8s) events are to be held at Cronulla while U13s and U14s events (excluding individual finals) are to held at North Cronulla. All U8 events (including finals) are to be held at North Cronulla.

# Surf Education Update

By Bryan Wild

Life saving Coordinator

**Patrol Information** 

At the recent Lifesaving Committee Meeting the issue of nippers doing patrols was raised. Under 14 nippers are only to sign on at the beginning of the Sunday Patrol if they are actually rostered on that patrol. If an Under 14 nipper wishes to do a voluntary patrol they can only sign on after 10.30am and only if the Patrol captain gives permission. Don't forget that patrol members who receive 100% for patrols will be eligible to attend the Ski Weekend in June next year. If there are any nipper parents who have their bronze medallion and would like to meet some great new friends as well as perform a valuable community service please consider joining a patrol this summer. Contact the Senior Office for more

Who is the Australian Surf Lifesaver?

A surf lifesaver is a person who demonstrates the character, skill and service that epitomises the best of the Australian culture. Surf lifesavers give their time as volunteers in the service of their communities. They are fit, skilled, team oriented and adaptable **Australians** 

The Australian surf lifesaver

- commits personal time and energy to maintain safe beaches around Australia
- develops and maintains a high level of skill through ongoing training
- provides leadership in maintaining and developing volunteerism as a valued characteristic within Australian society epitomises the strength and character of the Australian way of life The surf lifesaver is an Australian icon. Each person who wears the red and yellow cap is a recipient and guardian of that heritage.

# Water Safety Report

What a magnificent weekend of surf life saving and competition. Great surf conditions all weekend with a 3 to 5 ft wave forming a long waves from hitting / moving the way out on the Northern end of the cans.

beach. The escalator at the southern end of the beach was running rapidly and the warm water temperature and clear water safety team. conditions were another added

Firstly with the IMB Carnival. A great job done by Josh, his core team and everyone who came out holding their bronze medallion of the wood work and worked extremely hard to ensure the day was a huge success. The next carnival to be held will be the Four the shore. Way on the 25th November which will also be hosted by Cronulla. Water Safety was supported by Water Safety personnel from the Wanda, Elouera and North Cronulla clubs.

Some comments were received about the positioning of the cans which appeared be positioned further out to sea than normal. The cans were positioned to the surf

life saving guidelines and to allow for the high to low tide variation and also to prevent the larger

On both days we were honoured to have the IMB CEO, Mr Rob Ryan also working as part of the water

Secondly Championship Day, the Water Safety Team was in full force with most of the team present plus nipper parents (who have seen the light) offering their support. A sea of orange rashies and caps could be from

Until next week.

Yours in water safety - Chris Barber, Water Safety Coordinator
