special in their own way;— we make each other strong.

cause we stuck together.

We're not the same;— we're different in a good way.

Together's where we belong. All: We're all in this together.

Once we know that we are, we're all stars, and we see that. We're
all in this together; and it shows when we stand hand in hand,

make our dreams come true. Ev'rybody now:

Together, together, together, ev'ryone.
Together, we're there for each other ev'ry time.

Together, together, c'mon, let's have some fun.

All: We're all in this together; once we know

that we are, we're all stars, and we see that. We're all in this together;

we can fly, know inside we can make it. We're all in this together;

and it shows when we stand hand in hand, make our dreams come... We're
and we take it.

Wild cats, sing along:

yeah, you really got it going on.

Wild cats in the house;

everybody say it now.

Wild cats everywhere;

wave your hands up in the air.

That's the way we do it; let's get
to it, time to show the world.
