Contemplation of quote:

The problem is not that we want to be happy, but that we are going about it in the wrong way. When we really see that we are going about it in the wrong way, we quit. And then life can unfold on its own. We cannot make it unfold. We can quit our rejection, our judgment, our intolerance, but we will quit these patterns only when we completely and totally see what they are doing—that they are hurting us.

Important Business

- A. Forum Training with Aggie Mitchkoski.** Aggie talks trustees through the forum site. Glitches pointed out. Jacquelyn reminds trustees to email first and second choices for categories to moderate if called to, and Regina suggests a special member meeting to show members the forum and ask for minister volunteers to moderate.
- B. Ministers' Subcommittee and Prayer Circle Update:** Doreen shares prayer circle update likely to be done within a week and will be sent to trustees to look over. Nothing to report from Ministers' subcommittee.

Next meeting will be 21st January and dedicated to determining the Fall Retreat and Regina asks for ideas to be brought for what members would like to see.
