

HOWe Things Are

March 2020

Around the world? Maybe? not.

First to go: Around the World. *If* I was to go to Malaysia, I'd return westward (the way I'd come) not eastward to circle the globe. (flight cancellation #1)

Then Malaysia itself, face to face meetings cancelled and replaced by a series of virtual video conference meetings: 90 min each on 3 different days, participants spread across 16 time zones, starting with mine (the earliest) with a **4am** start time. (flight cancellation #2)

And finally, Kenya with zero reported cases, understandably wants to keep germmy foreigners away, announced Friday that all meetings with international participants are cancelled.

Now, four additional flight cancellations and two apologies to India later, the majority of airfare refunded, I'm simultaneously relieved and disappointed.
