

HOW ~~e~~ THINGS ARE... by Sheryl ~~Howe~~ Nelson

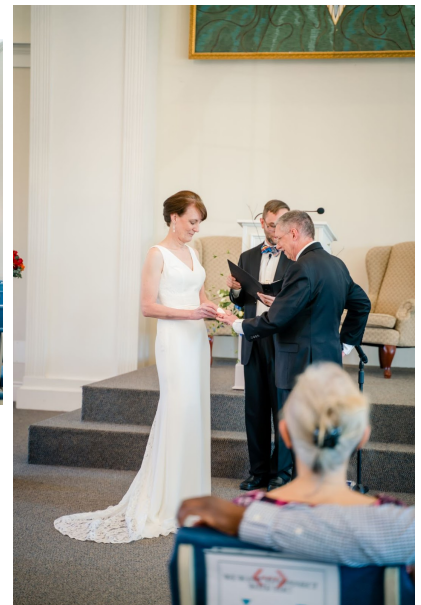

Happy March!

It's March. We're married (February 20). We moved / are moving? It counts as moved when you occupy the house even if a lot of things are still in boxes and/or not in the correct rooms, right?

Our New Address: Scott and Sheryl Nelson, 1400 Senator Rd, Douglasville GA 30134

Saturday February 20, 2021. Our Wedding: Harbor Church. 433 Williamson Rd, Mooresville, NC

Our bride and groom masks - with the wedding date. And our bride and groom - wearing - masks cake topper. We had four cakes to accommodate various allergies (my family) and because 20 people, 4 cakes is an excellent people to cake ratio.

My family on the left - everyone made it! Mom, siblings and siblings-in-law and nieces and nephews, including niece Susan, who was my bridesmaid. Scott's family on the right - both sons + daughter-in-law and grandson. (watching on line) his sister, daughter and son-in-law, with their two little ones. Alright the little ones probably didn't watch...

About the house and Georgia: Our next door neighbors on both sides of us are the nicest people. Thanks for praying. We're looking forward to having them over once COVID is done and our house is a tiny bit less chaos. We have not decided on a church yet but there are many options. And Georgia just announced my group (immunocompromised) is eligible for the vaccine Monday.

Pray for a timely appointment, a church, and praise God for wonderful friends in our lives like you!
