

**HOW-e Things Are... May 2021** by Sheryl (no longer Howe) Nelson

So, Sheryl, **Have you found a church yet?** Yes... we think? We've been attending a church near us in Villa Rica, GA. We think it is/could be/is probably the one. (actual church in photo below)

**Do you feel settled?** Kind of? Rooms have furniture and rugs, but not a whole lot on the walls... better than last month though.

**How's married life?** So far, so good. Except the part about how Scott got poison ivy on his face! He was miserable. He's recovered now --- and looks like a human again.

**Have you managed to keep up with work?** Yes, I have. We're wrapping up some projects that have been "lingering" for awhile. It's so nice to see those completed. Last week I had my annual review and was encouraged as we looked back at all that was accomplished.

#### **Prayer Requests**

- Praise God for the technology professionals He brought to our group. And keep praying for more-- especially for a Customer Relations Director.
- Praise God for being able to connect with colleagues around the globe in meaningful ways when travel wasn't possible.

#### **Is there a Thank You card with your name on it?**

We received two anonymous wedding gifts --- a lovely bathroom cabinet and an additional pair of rocking chairs. We'd love to thank you if you'll let us know it was you!

Our delegate conference for work was held last month. It should have been last year --- one of many in-person events that was postponed ... and then cancelled. Instead of traveling to Thailand to meet, we met from home (at inconvenient times depending on where we were located). And somehow still felt like we had been together. I feel blessed to know so many people from so many places who are all committed to bringing the good news of the gospel to every person, and especially to those who do not yet have the Bible in their language.
